

NETe2 MG Ltd. Established in Hong Kong

In October 2009, NETe2 MG Ltd. was created as a joint venture company of NETe2 Asia Pte Ltd and Media-Go Engineering Ltd. with offices based in Singapore and Hong Kong respectively. The company's common objective is to provide total integrated system solutions with qualified engineering services to valued customers, MNCs, global accounts and enterprises across the region.

Established in year 2000, NETe2 Asia Pte Ltd is the leading Video Conferencing / Audio Visual / Multimedia System Integrator and Service Provider in Singapore, aimed at offering high quality solution and services to customers in Asia region.

Established in 1988, Media-Go Engineering Ltd is a well-known industry leader specialized in professional Audio / Visual Systems, Digital Signage Systems, Central Control Systems, Lighting Control Systems, Videoconferencing and Network Operation Control Systems in Hong Kong, Macau and China.

The success of our twin companies is built on the extensive experience in system design and integration of Audio Visual and Video Conferencing solutions incorporating Information Technologies (IT).
