

Hong Kong Workshop

On 25th June 2010, a Hong Kong Workshop took place at Tandberg office in Wanchai, Hong Kong. We are honored to invite the governmental departments & utilities as guest.

A wide range of high definition telepresence devices & demonstrations were shown to the audience.

- Total Telepresence Device: T1 & T3
- Video System Integrator Package: C60
- Personal Video Conferencing: EX90, E20, 1700 & 1000
- Mobile Solution: Movi

Thanks to the outstanding support of our platinum partner - Tandberg and the large number of guests, the Hong Kong Workshop was a full success.
