

## MGIA: EXPANSION IN MACAO

(7 May, 2007, Macau) MEDIA-GO *iA*rchITeCH SOLUTIONS, LTD. moved to a larger office in Macau as the company continues to grow in Asia. It specializes in providing advanced & user-friendly audiovisual systems with IT solutions in the Macao market. Being an audiovisual pioneer in Macau, MGIA developed a complete network among the industries in past few years. Its clients comprise Wynn Macau Hotel, Sands Macao, and Babylon Casino etc. Along with MGIA's hands-on knowledge in Macau's culture, the strategic decision to set up has attracted some very high profile clients; it proved their superior and outstanding performance in the audiovisual industry.

Mr. Seon Chan, Senior Manager, Business Development of MGIA commented, 'We are expanding the operation in the region to ensure we can serve our clients in long term, and provide a sustainable platform for company's growth. We believed our millions dollars investment for expanding our office is worthwhile and will be rewarding.' In the meantime, they will provide timely response and assistance to all our customers on technical, sales and related issues in a short turn-around time.

The new address is:

**Alameda Dr. Carlos d'Assumpção No. 263 Edifício China Civil Plaza, 5 Andar M, Macau**
