

**Media-Go Technology Limited appointed by
PolyVision as Sole Distributor in Hong Kong and Macau**

(Hong Kong, 30 January 2007) Media-Go Technology Ltd. specializes in supplying high-end Audio Visual products. It is announcing today that the company is entering into a distribution agreement with PolyVision Corporation, a Steelcase Company (NYSE:SCS), and the world leader in visual communication products. The agreement builds on PolyVision's growing reputation as a leader in the marketplace.

We are pleased to be partnering with PolyVision, whose broad portfolio of products enhance the way people learn, work and communicate visually. PolyVision created the industry's first walk-up-and-use interactive whiteboard; it has an unparalleled track record of new breakthroughs in the visual communication market. Together with the current professional audiovisual solutions offered by MEDIA-GO, it can provide a perfect total solution to its dealers and customers in the region.

MEDIA-GO will provide sales and technical support for PolyVision's wide range of communication products in Hong Kong and Macau, including RoomWizard, a web-based scheduling system for meeting rooms and other shared spaces; Copy-Cam, capturing the image of your whiteboard in a snap; and the Walk-and-Talk presentation interactive whiteboard.

About PolyVision Corporation, a Steelcase Company

PolyVision Corporation enhances the way people learn, work, and communicate visually through a broad portfolio of products. Since 1954, PolyVision has focused on creating products and services that inspire users to be more productive, effective, and creative when collaborating and communicating visually. Whether it is developing the world's number one selling *P3 ceramicsteel*® surface, or creating the industry's first walk-up-and-use interactive whiteboard, PolyVision has an unparalleled track record of new breakthroughs in the visual communication market.
